Dear Sir:

Applicant respectfully requests that the following drawing correction be entered in the subject application.

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage in an envelope addressed to Mail Stop Amendment, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on the date shown below.

In the Drawings:

Please replace Figure 1 with new Figure 1, as attached. Please replace Figure 2 with new Figure 2, as attached. Copies of originally filed Figure 1 and originally filed Figure 2 indicating changes in red are attached for reference.

The drawings have been modified to remove unused reference numerals 42 and 24. Figure 2 has been further modified to appropriately label state 20 as "Connected" rather than "Disconnected". The correct description of Applicant's invention is contained in the Specification as originally filed. Thus, the drawing correction does not introduce new matter, nor does this modification change the scope of the claimed inventions.

Respectfully submitted,

Dated: 8/4/04
